**INSTRUCTIONS:** the Observer will record the observation on tape with the permission of those in the area. The Observer will note with a mark each time that Child Manager acts in a specific pattern.

Inconsistent Style is an outcome of the rating of the other styles. If the Child Manager is inconsistent the manner in which s/he monitors the target child's movements and behavior, this will be noted in the final report. It should also be noted if the Child Manager uses different monitoring styles with other children.

The Observer may review his/her notation with the tape, but should NOTE all changes from the original recording.

The Observer, having finalized the document, may review [including, if necessary, listening to the tape recording] the final data with the Child Manager to get his/her observations and, if necessary provide a commentary to, but not change, the Observer's Report.
